HEY!

I'm so glad you are considering a LIFEgroup!! I think that's great! LIFEgroups are an important part of living life together as the Body of Christ. We think they are so important that we believe everybody at Cornerstone should be a part of one! God has designed us to grow in relationship with Him by growing with others. Groups are a place where you might find another person or couple you could be friends with.

So, in order to help you find a group we've put this guide together. Look through it and find a group that may interest you. When you've found a group you're interested in, send an email to the leader listed and let them know you want to be a part of the group for this semester. That's it! You're IN!!

This LIFEgroup semester will begin now and run into April/May. This gives you the opportunity to try out different groups during the different semesters. If the group isn't a fit for you, just try another one the next time around...EASY!

Thanks for being a part of a group! Enjoy!
